

2nd Front Range Applied Mathematics Student Conference

University of Colorado at Denver

Saturday March 11th, 2006

Sponsors: THE Siam Student Chapters at University of Colorado, Boulder University of Colorado, Colorado Springs University of Colorado, Denver

The Front Range SIAM Student Chapters are sponsoring the 2nd Annual Applied Mathematics Regional Student Conference. This event will allow students from all universities along the Front Range to learn about new developments in Applied Mathematics and promote interest in the field. The conference is open to both undergraduates and graduate students.

Registration Information

There will be a \$5 registrati breakfast and lunch provi To register in advance,

d at the conference site. se send the name of the eir university affiliation ut to the "University of " to

Undergraduate SIAM Student Chapter Department of Applied Mathematics 526 UCB University of Colorado at Boulder Boulder, CO 80309-0526

Call for Presentations

There will be 15- and 30- minute student presentations as well as a poster session. Abstract submission deadline is February 19th, 2006. If interested, please contact your faculty advisor and check the conference Plenary Speaker

Dr. David Donoho is Professor of Statistics and the Anne T. and Robert M. Bass Professor of Humanities and Sciences at Stanford University.

As a highly distinguished statistical scientist, Professor Donoho has conducted groundbreaking research in the analysis and recovery of data. In particular, he has made significant contributions to signal processing, multiresolutional analysis and high dimensional data analysis.

Among his many honors, Professor Donoho has received a MacArthur Fellowship, the John vn.12.012 0
